

When someone leaves the room

you say:

When someone gives you a present

you say:

When someone tells you “Thank you”

you say:

When you bump into someone

you say:

When someone around you sneezes

you say:

When someone says “How are you?”

you say:

I'm fine, thank you.

Bless you.

Thank you.

Excuse me, I'm sorry.

You're welcome.

Goodbye.
